-

ORAL ORDER:.

Heard the learned counsel for the petitioner and the learned Government Pleader for Prohibition and Excise appearing on behalf of the respondents 1 and 2.

The petitioner seeks a writ of Mandamus declaring that the respondents have no jurisdiction to restrict the transport of Molasses by sthe petitioner from the state of Andhra Pradesh to any other place within the State to other States.

In similar circumstances, a learned Judge of this Court disposed of the Writ Petition No. 19740 of 2004, by order dated 28.10.2004, having regard to the fact that the issue involved in the said writ petition is squarely covered by the decision of this Court in W.P.No. 8136 of 2004 (M/s Gauri Industries (Manufactures of Rectified Spirit) Vs. Commissioner of Prohibition and Excise, Andhra Pradesh), wherein it was held as under:

> "It is a fact that the possession as well as transportation of Molasses was being controlled by the Molasses Control Order, issued by the Central Government. But, however, the said Control Order was rescinded by the Central Government as early as in 1993. Thereafter, there were no provisions either in the A.P. Excise Act or under any Rules framed by the State Government and this fact was clarified by a Division Bench of this Court in Writ Appeal No. 2209 of 1998, dated 8.5.2001.
>
> The restriction of transportation of molasses is only if it is intended for utilization of illicit distillation and on such occasions only the respondent authority can take action. But, however, if any individual is transporting the Molasses under a valid purchase bills to the destination of the purchaser, the respondents authority have no right to interfere with such transportation.
>
> Therefore, the writ petition is disposed of clarifying

the position that the respondents have no right to insist the petitioner for any permission r for obtaining NOC for transport of Molasses from the Sugar Factories to any other specified destination for being used by the purchaser."

Accordingly, the present writ petition is disposed of at the stage of admission with the same directions/observations and clarifications extracted supra. No costs.
